

The PAEA Assessment Suite of Exams

Comprehensive assessment of PA students across the program,
with exams developed by PA educators for PA students.

Continuum of Assessment

PACKRAT® exam

PURPOSE

Objective, comprehensive self-assessment tool for student and curricular evaluation

WHAT

Self-assessment to identify individual strengths and weaknesses

WHEN

Certain milestones, such as the end of the didactic and clinical phases

HOW

New exam developed annually

End of Rotation™ exams

Set of objective, standardized evaluations intended to serve as one measure of the medical knowledge students gain during specific supervised clinical practice experiences

Assess medical knowledge of specific core clinical disciplines as one part of a comprehensive SCPE evaluation

The end of specific clinical experiences

Validated for consistent performance each year

End of Curriculum™ exam

Objective, standardized evaluation of a student's medical knowledge as one component of their readiness for graduation

Evaluate proficiency in general medical knowledge

The last four months of the program

Validated and standardized by PA education experts

Features of All Exams

- Written and peer-reviewed by experienced PA educators
- Consistent development process
- Identical form and style requirements
- Assess similar content and task areas
- National, cohort, and student-level feedback
- Delivered in a secure online platform
